Dear River Way Ranch Camp Parents,

It is with great pleasure that we welcome your child to River Way Ranch Camp for the summer of 2019. Our community is a place where your child can take healthy steps towards fostering personal growth.

River Way staff treat their campers as though they were their own family, and younger brothers and sisters. These relationships are why River Way Ranch Camp is so highly regarded in the industry. Our staff provide the safety nets for your child to discover new interests, new hobbies, and to form new friendships.

While your child is in our care, we will help him/her learn life skills that encourage wellness and personal growth. We will create opportunities for decision making, responsibility, resourcefulness, and teamwork. The camp experience revolves around making friendships and establishing a sense of place for each and every camper.

We take pride in our efforts to give your child an invaluable experience while creating memories and friendships that will last a lifetime.

We appreciate the confidence you have placed in us by sending your child(ren) to River Way Ranch Camp. We would like to remind our returning families, and inform our new families, that if you feel some anxiety during your child's stay at camp, please do not hesitate to contact us to find out how your child is doing.

Sincerely,

Parent/Camper Communication

MAIL: Campers are required to write home three times in a two-week period and will only be permitted to enter dinner on letter meal days by depositing a letter in the “mailbox”. Sometimes they outsmart us and send letters to friends, dogs, etc. If you are not receiving letters, send an e-mail to CampMom@RiverWayRanchCamp.com, and we will look into it. Your child also expects letters from home. Twice a week is sufficient. To help them adjust to being away from home, please do not write any distressing news. You may send prepared mail for your child and we will be happy to issue a letter 2 or 3 times a week, just let us know. For our international families, please contact our office for guidance on your camper’s communication home.

You may mail letters to:

Camper’s Name
Bunk #
6450 Elwood Road
Sanger, CA 93657

Bunk numbers will be released on the Monday morning following the first day of each session. Please either phone or email us, and we will happily provide your camper’s bunk number.

NO PACKAGES: Camper mail is limited to envelopes and postcards only. If it requires more than a single first class stamp to mail, it will be returned unopened. If your camper has forgotten an item from home, please contact our office to arrange for your camper to receive his/her forgotten item. When sending a pre-arranged forgotten item, please do not include any additional items as they will be returned. If your camper will be celebrating their birthday while at camp, please contact the camp office or the camp mom if you’d like to arrange to send them a package; these are the **ONLY** exceptions to the No Packages Policy.

PARENT ONE-WAY EMAILS: One-way e-mailing will be organized through your CampInTouch account. Each email requires a minimum of 1 camp stamp. On the Sunday of the start of each session, CampInTouch will gift 5 camp stamps per camper per session to each family. Additional camp stamps may be purchased through your CampInTouch account. Daily photos will also be posted here throughout the summer. You will need to approve and enter other family members and friends in order for them to e-mail your camper by clicking on the “Guest Accounts” link from your CampInTouch home page. Camper email is downloaded multiple times each day and printed for distribution daily.

PHONE CALLS: River Way believes in the unplugged approach to summer camps. Because of this, Wi-Fi and cellular enabled devices are not allowed during your campers stay at camp. **ALL** smart phones, regardless of the service, are **NOT** permitted in camp. If your child has a need to listen to music during his/her time with us, please pack an I-pod or MP3 player that does not have Wi-Fi capabilities. We have found that the unplugged approach provides a higher quality camping experience by allowing your camper to build strong social connections and experience

new challenges and activities. Due to our camp programming, and for the benefit of your camper's adjustment to camp, we do not allow phone calls to be placed or received home. News of friends speaking to their parents on the telephone can cause problems with other campers and make their adjustment to camp life more difficult. You should be receiving letters on a regular basis. You are welcome to discuss your child's progress with our Camp Moms, who will return all incoming calls the same day. If you have questions about how your camper's stay at River Way is going, our Camp Moms are available to act as the liaison between you and your camper.

VISITATION: Parents whose child is enrolled for **more than two sessions** (more than 4 weeks at camp) may contact us to obtain permission to visit on July 14, 2019 or July 28, 2019. We have no camp visitation days for stays of one and/or two sessions (2 to 4 weeks) as we have found it can be a difficult experience for a child away from home to see other parents and relatives visiting. This, in turn, can cause morale problems throughout the camp. We appreciate your understanding and cooperation in this matter as it will be a great help to your child in their adjustment to camp life. All parents are welcome to visit the facility prior to the opening of camp, or during any session your child is not attending. Some families take advantage of Mother's Day weekend to join us for a Bed and Breakfast, incredible Mother's Day brunch, horseback riding, and a tour of the camp - call our office for details.

HOMESICKNESS: If your child writes distressing letters, which homesick children commonly do, do not become unduly alarmed. We have found that some children may write their first letter on the bus, before they arrive at camp. You receive the letter two days later, and while you are reading it, your child has fully adjusted and is having a wonderful time on a wave runner or horseback riding. Be assured that we are deeply concerned about the welfare of your child, and that he or she will always have our full attention. Should you have any anxiety in this regard, please feel free to call or email our Camp Moms. Camp Moms are happy to discuss your child's progress. To help your child successfully transition to being away from home, please do not give them the option of returning home in three days, or at any time prior to the end of the session. There is no pro rate option under these circumstances, and children who have this in mind prepare for a three-day or abbreviated stay and never allow themselves the chance to have fun. We assure you, we will let you know if your child is having a more difficult time adjusting than the average camper.

Financials (REFUND DEADLINE APRIL 15th, 2019)

CANTEEN FUND (CAMP STORE – SPENDING MONEY): The amount of money charged to your account for the Canteen Fund will be deposited in your child's name in our camp store. Items such as toothpaste, camp T-shirts, mugs, flashlights, souvenir items, snacks, drinks, etc. may be purchased. There will also be a small selection of camper clothing available for purchase that will not be available online. We have found \$135.00 to be an adequate amount for the first two weeks your child attends, and \$50.00 for each additional two weeks. We suggest \$90.00 for the one-week sessions. Your child will be advised of his/her balance after each purchase. Entrance fees for outcamp activities, such as bowling, ice skating, Water Park, etc. will also be deducted from your child's Canteen Fund. If your child chooses to participate in an outcamp activity, they will be required to purchase an outcamp t-shirt.

In the event your child depletes their canteen fund, you have an opportunity to indicate if you would like to allocate additional funds through the completion of the **online Canteen Form** from your CampInTouch account. You may choose to allow for extra canteen funds, or not. If you indicate extra canteen money is available for your camper, these funds will only be allocated in the event your child depletes the original amount.

If, at the end of their stay with us, your camper has a positive balance remaining in their canteen account, you may choose to have it refunded, or donate it to the American Camp Association/River Way Ranch Camp Scholarship Fund. This applies **ONLY** to the original amount allotted to your camper. If you have agreed to allocate additional canteen funds in the event your camper depletes their account, and there is a remaining balance on these additional funds, this money will automatically be refunded to you.

Please indicate your preference through the completion of the **online ACA Donation Form** from your CampInTouch account.

WHAT IS THE AMERICAN CAMPING ASSOCIATION RIVER WAY SCHOLARSHIP FUND?

In the fall of 2009, River Way Ranch Camp entered into a partnership with the American Camp Association to create a scholarship program to assist as many children as possible in experiencing the enjoyment of summer camp. The partnership was created as part of ACA's 20/20 Vision – 20 million children in the United States attending summer camp by 2020. Today, less than 10 million children attend summer camp and only 3 million of those children attend an accredited camp like River Way. In addition, River Way recognizes the unstable global economic times and wants to ensure that as many children as possible can experience the power of a residential summer camp program. Camp is a place for children to take healthy risks to foster human growth by trying new activities and meeting new friends. Camp has proven to improve decision making, responsibility, resourcefulness, and leadership capabilities. River Way would like to give this opportunity to as many children as possible and, thanks to a partnership with ACA, we are well on our way to achieving their mission and ours.

LAUNDRY: Laundry is available once a week, or as needed. The fee of \$17.00 per two-week session is automatically deducted from your child's Canteen account. Should you not wish to

have your child's clothing laundered while they are here, please notify our camp office before their arrival.

YEARBOOK: An 80+ page color yearbook is produced from pictures taken during the entire camp season, featuring the campers, activities, and memories that last a lifetime. A \$65.00 charge on your invoice covers the purchase of our full-color yearbook. If you do not wish to purchase a yearbook, please contact the camp office no later than July 1st, or write a note on your invoice. Because it takes time to design and publish them, the yearbooks are mailed out at the end of the calendar year.

SENIOR DAY: Should water levels permit, River Way provides an adventure of a lifetime offered only to our Senior age division campers. This exciting White Water Rafting trip has become a tradition and rite of passage for Seniors, with almost always 100% participation. For an additional fee, your Senior camper will experience a thrilling day of rafting down the Kings River. Complete the **online Rafting Forms** from your CampInTouch account. In the event white water is unavailable, we will offer an alternate off property activity, which may require forms to be completed. If so, you will be notified via email. Please be advised that this location and cost will be determined within the weeks leading up to each session, and parents will be notified via email. A popular alternate choice to White Water Rafting is the renovated sports facility, McDermont Field House, offering a flowrider, laser tag, water slides, bounce houses, arcade, and many other attractions.

ELECTRONICS/EXTRA MONEY/VALUABLES: DO NOT send money with your child. Campers have no need for it at camp and it may get lost. Campers also should **NOT** bring valuables such as expensive watches, jewelry, cameras, and video games. The camp cannot take responsibility for any lost items. **Cell phones, Apple watches and similar electronics, including all Wi-Fi capable devices and iPods, are not permitted.** If desired, campers can bring music players and mp3s which do not have Wi-Fi capabilities.

CAMP FEES: The balance of all camp fees **is due by June 1st.** Please log-in to your CampInTouch account to make your final payment, or phone the office, or remit your check by mail. Make checks payable to River Way Ranch Camp, 6450 Elwood Road, Sanger, CA 93657. On June 2nd all outstanding balances will be charged to the credit card on file. River Way Ranch Camp reserves the right to resell any reservations that have not been paid in full by June 1st. Any calls regarding payment should be directed to the camp accounting office, Monday through Friday, between the hours of 8:00a.m. and 4:30p.m. Telephone: 800.821.2801 x360.

Health & Wellness

****PLEASE NOTIFY CAMP OF ANY ILLNESS PRIOR TO ARRIVAL***

DOCTORS, NURSES, & AN INFIRMARY: A resident physician and nurse are employed and living on the premises at all times. Parents will be notified if their child is confined to the infirmary for longer than a 24-hour period. Should a condition arise of a serious nature, the Camp Director, Assistant Camp Director, or Camp Mom will contact the parents or guardians, or your personal physician if necessary, by telephone.

FOOD ALLERGIES & RESTRICTIONS: Please let us know if you have any dietary restrictions or special considerations, and we will do our best to accommodate you. This includes Peanut or Tree-nut allergies. We do appreciate any advance notice on any restrictions.

MEDICATIONS: If your child is to take any medication while at camp, please do not pack your child's medication in their luggage. Instead, enter the information into the **online Health History Form**, and present it to the staff at the check-in table at the departure location.

SMOKING, ALCOHOL, & DRUGS: Use or possession of cigarettes, alcohol, or non-prescription drugs by any camper will result in dismissal, in which case there will be ***no refund of any amount of the camp tuition.***

PHYSICIAN'S EXAMINATION FORM & HEALTH HISTORY FORM: Every camper is required to have a physical prior to arriving at camp. Please print out the **Physician's Examination Form and Parent Authorization Form** from your CampInTouch account. Have your physician complete the Physician's Examination Form, you complete the Parent Authorization Form, then scan and upload them each to your CampInTouch account. Additionally, every parent must complete an online history of their child's health through the completion of the **online Health History Form** from their CampInTouch account.

FIRST DAY HEALTH SCREENING: Under the supervision of the Camp Nurse, each camper will receive an initial health screening upon arrival to camp. The screening will look at overall observable health, a scalp check, throat and mouth check, and skin check.

HEAD LICE POLICY: Each camper will be examined for head lice upon arrival on the first day of each camp session. If nits or lice are present, the Camp Director will decide if the camper must return home. Camp is not responsible for the expenses incurred for the return transportation of the camper. Campers may have the option of being treated at camp. Costs incurred for treatment are at parent's/guardian's expense. We encourage you to check your child's head for lice several weeks prior to, and the days leading up to, camp to ensure that they are lice free. If your camper has or has been exposed to head lice in the days leading up to camp, please notify the camp office prior to their arrival. This will be handled discreetly, but helps camp greatly in making sure lice does not spread through camp.

Below we have provided some helpful information about head lice and how to identify it.

What is Head Lice? Head lice are small grayish-white insects, which are found in the hair, behind the ears, and on the nape of the neck. They live on human blood and their bites cause itching and scratching. These bites can lead to infection.

How Can They Be Recognized? The adult louse is about the size of a sesame seed. They attach their eggs (called nits) to strands of hair close to the scalp. Nits are tiny, pearl gray, oval shaped specks that are attached firmly to the hair. Nits look much like spots of dandruff, but cannot be easily removed from the hair strand to which they are attached. Nits normally hatch in 7-10 days. Frequent scratching of the head is usually the first clue of an infestation.

Packing

Clothing may be packed in duffel bags, suitcases or trunks. Trunks should be standard size (16x16x30) so that they fit underneath the bed, but slightly larger soft trunks can work as well. We think the soft trunk from everythingsummercamp.com is pretty fantastic.

Due to the “outdoorsy” nature of camp, clothing will get heavily soiled. Despite our counselor’s best efforts, campers may lose items. We do have a lost and found table at camp during each session, so please do encourage your child to check this table if they’ve lost an item at camp.

Be sure that **every** item is marked with your camper’s name in indelible ink, or printed name tags securely sewn or ironed onto the articles. We love Oliver’s labels, as a portion of purchases through them will be donated to our Camp Scholarship fund.

LOST AND FOUND: Children should be told to assume responsibility for their own belongings, as the **CAMP IS NOT RESPONSIBLE FOR LOST ARTICLES**. Lost and Found is centrally located on the dining patio. Each day during meal times we announce and display the found items. If the campers do not claim any items by the close of the session the items are donated to a charitable organization. River Way will not return any items to you after the close of camp, and this is why we stress camper responsibility and why we suggest no expensive clothing, electronics and jewelry be sent with your camper.

Please see our packing list, available via your Forms on CampInTouch for suggestions on what to bring.

Once again, we thank you for choosing River Way Ranch Camp for your child; we look forward to a summer of *memories and friendships to last a lifetime!*
